

Religious or Church Prospects List Form

This list is used to identify the religious or church (“prospects”) that you would like to contact about setting up fundraisers. When you complete this list, save and email it to your GreatMoods contact. The list is a starting point. You will be able to add more schools later, so don’t feel you have to fill in every line.

GreatMoods will copy logos and pictures from the organization's website for use in the creation of their personalized sample website. This website will be a powerful tool for you to use in your sales presentation.
